Major General Eugene A. Salet
Commandant
U. S. Army War College
Carlisle Barracks, Pennsylvania

Dear General Salet:

Many thanks for your letter of 4 March in which you invite me to join in the Eleventh Annual National Strategy Seminar from 8-11 June.

I am sorry that I will be unable to attend the Seminar but I have taken the liberty, if it is acceptable to you, to designate one of our senior officers to participate in my behalf. He is GS-16, who is extremely knowledgeable of current affairs in Sino-Soviet bloc countries. I am sure, will be a valuable participant in the Seminar.

In the event that you and your staff want to make future contact with he can be reached at

I look forward to seeing you at Carlisle next week.

Faithfully yours,

Marshall S. Carter

OFFICE OF THE COMMANDANT

4 March 1965

Dear General Carter:

Because of your previous association with the US Army War College, I know that you are acquainted with our annual National Strategy Seminar. The inclosed Prospectus contains a description of this year's Seminar, the anticipated slate of guest speakers, and a brief explanation of the current mission and curriculum of the College.

In recognition of your past interest and support, the US Army War College requests the pleasure of your participation in its Eleventh Annual National Strategy Seminar to be held at Carlisle Barracks, Pennsylvania, during the period 8-11 June 1965.

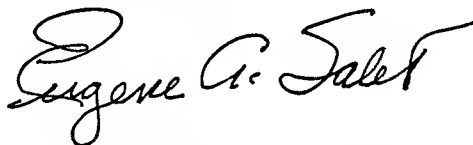

As a participant you will join with the members of the College and with approximately one hundred other distinguished civilian and military guests in discussion of the important issues which influence United States national strategy.

While we very much prefer that participants arrive on the opening day and stay for the duration of the Seminar, we recognize that this may not be possible in all cases. If you find that you cannot be with us for the full period, please do not let this preclude your acceptance of this invitation. You will recognize, however, that much of the value of the Seminar will be lost if participants attend for less than two days.

During your stay at Carlisle Barracks you will be a guest of the College. All arrangements for your accommodation will be made by us unless you request otherwise. Unfortunately, College funds are not available to cover your transportation costs.

The success of this activity depends upon the participation of civic-minded leaders and authorities in a variety of fields. It is our earnest hope that you will be able to join us this June.

Sincerely,

A handwritten signature in cursive script, reading "Eugene A. Salet". The signature is written in dark ink and is positioned above the printed name.
